- **MAIN FACS PROFILE ROLLOVER**

MAIN FACS PROFILE ROLLOVER

MAIN FACS Profile Rollover will be done on the evening of Thursday, June 28, 2007. This process will create Fiscal Year 2008 and Appropriation Year 2008 profiles. On Friday, June 29, 2007, agencies will be able to begin making changes to their 2008 profiles. The profiles which will be “rolled forward” are: 20, 26A, 26B, 26T, 24, 26, D03, D04, D09, D10, D11, D23, D52, and D67.

Agencies are encouraged to review and inactivate profiles that are not being used. Inactivation will prevent AY based profiles from rolling into the new AY and prevent inadvertent use of unneeded profiles. Unneeded profiles degrade performance and increase the cost of operation for MAIN FACS.

ADPICS and RSTARS will not be available for processing Fiscal Year 2008 procurement and budgetary transactions until a later date.
